INSURANCE WAIVER

All services that we provide for you in our office will be billed to your insurance company. Any services not paid by your insurance company will be your patient responsibility.

Due to the magnitudes of changes within the insurance companies we are unable to pre-verify benefits for any ENT services. Patients need to be aware of their own insurance benefits and what will be covered by their plans.

In addition it is the patient's responsibility to be sure that we are participating with their insurance plan.

I hereby accept and understand the above waiver.
